Re: Adams v. Equinox Holdings, Inc. et al. ;19-cv-08461-JPC

Your Honor:

I represent the plaintiff in the above-entitled matter, and I write this letter to request a one week enlargement for plaintiff to file her response to defendants' motion for summary judgment. I tried but could not reach my adversary to obtain his position on my request.

The original dates set for the motion schedule were as follows:

Equinox filed its moving papers by May 6, 2022. Opposition papers were initially due June 3, 2022, and the reply was due by June 24, 2022. This Court granted an enlargement after the defendants filed their motion in a timely manner. However, this attorney has been engaged in trial until the end of last week in the Bronx Supreme Court before the Honorable Judge Alpert in Perez v NYC et al, 20906/10 which began May 18, 2022 and which was delayed by a juror testing positive for Covid.

This is the second request for an enlargement of time for the motion schedule. With the first request the Court granted an enlargement for the plaintiff to file her response by June 24, 2022. Plaintiff now requests an enlargement making July 1, 2022 plaintiff's new deadline to file her opposition and July 29, 2022 would be the new deadline for defendants' reply. I was aware that opposing counsel would be out of the state on vacation from June 29, 2022 to July 10, 2022 but I did not know he would be impossible to reach as of today. It is my understanding that no other dates would be affected.

Respectfully submitted,

/s/
Fred Lichtmacher
